— ABOUT IVAN VISLAVSKIY

Building his first business website at 16 sparked an entrepreneurial journey that led Ivan to the founding of Comrade Digital Marketing in 2008. Today, he leads a team that has transformed 130+ businesses through data-driven digital marketing strategies. Ivan combines deep technical expertise with a firsthand understanding of small business challenges to deliver measurable business growth for clients.

— AREAS OF EXPERTISE

ROI-Focused Digital Marketing:
Creating strategies that deliver measurable business outcomes

Leadership & Team Building:
Creating high-performance marketing teams

Marketing Automation & AI Integration:
Harnessing technology for scalable growth

Data-Driven Decision Making:
Converting analytics into actionable insights

Process Optimization & Scaling:
Building efficient systems for sustainable success

Client Success Strategy:
Delivering exceptional experiences and concrete results

— WHAT TO EXPECT FROM IVAN

Ivan brings raw, data-driven insights backed by 17+ years of hands-on digital marketing experience. He challenges conventional ideas while providing clear, implementable frameworks for sustainable success in the digital age. You can expect candid discussions about AI integration, ROI optimization, and scalable marketing solutions, drawing from his experience transforming over 130 businesses.
